PRESIDENT'S REPORT, DAVE GEORGE

Hi everyone, the snow finally came with a vengeance and I hope you are enjoying it. The groomer operators have been doing a great job! We had an excellent turnout for the Winter Carnival, thank you to everyone who helped make it happen. Open houses have been well attended. We are now setting our sites on late season and preparing for the inevitable spring. Our March meeting is Irish Potluck, corned beef and vegetables will be provided. Members are encouraged to bring a bread or dessert. The annual meeting in May will be discussed shortly and we will have some answers at the March meeting. Anyone wishing to run for a position on the board should contact me as we don't have a nominating committee. We still need help with a lot of other positions also. Financial committee and secretary are most pressing. Thanks again and see you at the meeting!

TRAIL MASTER'S REPORT, DAVE CHARRETTE

Yippee...finally the winter we've been snow dancing for. As I write this they are predicting another 7" of snow here in SOS country. I hope everyone is enjoying the trails. We have gotten many kind words on our trails this year. Thank you to our crew of groomer operators and their families. This season is in full swing yet it is time to get grants submitted for our summer projects. Let's see if we can make next year even better. Happy Trails!

VICE PRESIDENT'S REPORT, SEAN PINARD

I don't have much for this month other than a review of the Easter Seals Ride in. A small group of us went to the ride in this year and had a blast. It was again held in Gorham NH @ Town and Country. We managed to get a good ride in on Friday up into Errol and back. The event itself went well. We managed to attend a few of the functions during the weekend including the Poker Run. We had a few winners in our group with Lisa winning 2nd in the Poker Run and Dave winning the scavenger hunt. The event raised over \$80,000.00 for Camp Sno-Mo and SOS came in 3rd with amount from a club. Great job to all. Myself, I am hoping we can once again attend and make it even bigger as a club. There were many clubs attending with large amounts of members there. The weekend was fun and relaxing. The Ride in will be @ Town and Country again next year and I am looking forward to again. I hope many more of you can attend with me or if possible maybe "ride-in" during the event. I would love to have a very strong presence from SOS next year. Too often we are not together as a club or simply doing the needed work as a club and not enjoying what we are really part of this great organization for and that is the great sport of snowmobiling. Keep a look out for information for next year's ride-in, I would love to fill a wing at the hotel with SOS members and hang our banner to show what a great group of people we are! Pictures from the Ride-in can be found on our Face Book Page.
