## PRESIDENT'S REPORT, DAVE GEORGE

I hope you all enjoyed a snow filled season! Thank you to everyone who made it successful. I will keep the thanks short as it will be repeated throughout this newsletter. It takes a team to make this all happen and we have a great team. In the "off" season there will be lots going on so keep in touch online or through friends. Memberships will go out after making some necessary changes so make sure you read them over when you receive them and consider renewing early to make one less chore to do before you ride. We are working on the details of the annual meeting so check for updates on the website and Facebook page.

## TRAIL MASTER'S REPORT, DAVE CHARRETTE

As I write this our oldest Tucker 1000, which went out for reconditioning in early winter is back and looks like new. I would like to thank all of the groomer operators and their families again for a great year with keeping our trails, some of the best in the area. Watch the web & face book for upcoming work parties and events. Also I would like to express our thanks to Randy & Diane Wood of Cassandra Signs for furnishing the emblem/logo and stickers for the gator. Thank you, Dave

## VICE PRESIDENT'S REPORT, SEAN PINARD

As the weather starts to change and our season winds down, I would like to thank all our members and guests for coming and enjoying our trail system and clubhouse! We had a great season, the weather was on our side almost all winter! We opened the clubhouse on the first Saturday and with the exception of a couple of rainy days the open houses were a huge success! We managed to remain open all season for every weekend. I would like to thank all the volunteers that helped out and ran the open houses, without all of you we could not have pulled it off. I would like to thank the trail master and his great group of groomer operators, with all their knowledge and abilities they managed to get out early and create a great trail base which held up to the week or so of rain we had, and managed to keep the trails in great shape all season long. Even on the warm days we had the club was never short of compliments on the trails. I would also like to thank the land owners within our system and systems all over NH! Without you allowing the use of your property we would have no trails! One more thank you to Ossipee Lake Marina for the use of your facility to house our equipment for the season and give us a warm place to work and make repairs! We look forward to another great season next year!

## VICE PRESIDENT'S REPORT, SEAN PINARD

That all being said our season has not ended, we have a couple more meetings to come, to include the annual banquet, as well as the Ladies Night and NASCAR night. We will also be having our annual clubhouse / marina cleanup. As we move into summer we will be working on our new septic and bathroom and well as other improvements to our clubhouse. We currently have the canoe / kayak trip date set with location TBD. Keep an eye out on FB and the Web for any other activities for the summer. As always keep in the back of your head the start of next year with the Grass Drags and Danforth Bay Camping and RV Show and then roll into the fall trail work! As always many volunteers are needed for all areas. If you have some time to spare or can help out in any way please let us know!
