PRESIDENT'S REPORT, DAVE GEORGE

Thank you to everyone who made this season happen! Thanks to the vacating board of directors and also to the new board of directors. It's the same board with one exception, Susan Wade has taken on the responsibility of secretary. Thank you Susan for stepping up to help out! Recently we sent delegates to the NHSA annual meeting in Lebanon, NH and our trail master Dave Charrette was awarded the Groomer of the Year award for outstanding work. Congratulations Dave! It was an amazing winter and our work will continue throughout the summer. Later that same day we held our own annual banquet and landowner appreciation dinner at the White Lake Inn and Tavern. We had a wonderful dinner and got to interact with each other without the pressure of keeping the trails flat. Thank you to the White Lake Inn and Tavern for a great meal. Soon we will be having our Golf tournament and the summer will be in full swing. Please keep in touch through the website and Facebook for more info throughout the summer. Thank you Kim for keeping the newsletter happening. Have a great summer!

TRAIL MASTER'S REPORT, DAVE CHARRETTE

Thanks to all the volunteers that help out year round. We used up all of our allotted grant funded grooming hours and still had plenty of snow so we continued to groom until the warm weather didn't cooperate anymore.

We are so lucky to have a great volunteer group among us. I see many new faces at work parties and a few at our general monthly meetings. Monthly meetings have no commitments or obligations, just pure inputs and ideas. We welcome all comments and suggestions and you may just make a few new friends.

Grant funding for this summer's maintenance is low again this year and a few projects will still need to be completed, the club will need to build some gates. We are searching for steel, such as pipes, I-beams, etc. If you have any scraps kicking around that might work for gate parts, please contact a board member.

This summer we will be busy on the trails as well as much needed maintenance to the clubhouse. Stay tuned and visit the website www.sossc.com or check Facebook. Thanks your Trail Master, Dave Charrette

VICE PRESIDENT'S REPORT, SEAN PINARD

First of all I would like to thank all of our members, guests and especially our land owners for an absolutely great year. We had a season full of snow and thanks to everyone we had a long and wonderful riding season on our trails! The open houses were a huge success and I thank all that helped either in setting up, cooking or just plain running the show!

We have some great things happening this coming year with a new drag in our future (thank you to the trail master and trail administrator)! We have recently been approved for construction on a septic system and will begin work on it soon in hopes to have it up and running for the 2014-2015 season! Thank you to all that worked many hours to bring this addition to reality for our club!

We will also be doing some other updates and repairs to our clubhouse so stay tuned to the web, FB and your e-mail for dates and what we will be looking for as far as help!

Upcoming events to keep in mind will be the SOS canoe Kayak Trip scheduled for August 16th & 8am. Location of the run TBA. We are looking to grow this event as a summer get together so mark your calendars!

Not to push the summer but we are already receiving info on the NHSA Grass Drags and Water crossings, scheduled for October 10-12 with set up the night of the 9th. We will be hosting our annual food booth at the drags! We will be having some work parties prior for preparation as in the past so stay tuned! This will be followed up by the Danforth Bay 10th Annual Camping and RV show Oct 17-19. We will have our food booth for breakfast and lunch on Sat and Sun.

The dates have already been set for the 2015 Camp Sno-Mo Easter Seals Ride in. We are looking to get a larger group involved to represent our club. Last year was a great time! We are hoping we can take over a whole wing at the hotel however even if you can ride in for a day that would also be great to have you. Per guidelines of the event we can book rooms soon so let us know if you are interested in joining in! See the website and FB for details.

I would like to thank and congratulate Dave Charette for getting Groomer of the Year! He certainly deserves it. We look forward to more of his great ideas and future direction for our trails!

Again thank you all and I hope you have a great summer and hope to see you around and look forward to any help we can get for our summer projects!

GENERAL MEETINGS

Our monthly meetings have ended for the season / summer. We will begin again in October. Hope to see you there!

OPEN HOUSE COMMITTEE, DONNA JONES

Many thanks to those of you who hosted an Open House, we could not have done it without you! And thanks to all of you who visited our clubhouse. It was great to see you! Thanks for a great season. Enjoy your spring and summer and we'll see you next year!
