PRESIDENT'S REPORT, DAVE GEORGE

A big thank you to our Volunteers! It's nice to see that when we put out the distress call we get members to respond. After the Thanksgiving snowstorm our trail system looked like the ice storm years back that made riding impossible. Even after two heavily attended work parties we still have lots of work to do and lots of thanks to the people who make our club so great. Riding should begin as soon as Mother Nature allows, otherwise please stay off any closed trails as landowners will shut them down. Merry Christmas and a Happy and safe New Year. See you on the trails.

TRAIL MASTER'S REPORT, DAVE CHARRETTE

I'd like to say Thank you to all that helped out on trail work this season. The first couple of storms had made a mess on the trails, with hundreds of downed trees and the muddy trails as the ground wasn't frozen yet. With these early season storms sleds can damage Landowner's Property. PLEASE BE RESPECTFUL of others property. Remember without our valuable landowners we wouldn't have any trails. Please stay on the trails when the trails are open, if you have the itch to go out on them, join us on a work party (walking).

MEMBERSHIP REPORT, BRIAN WADE

Members,

I hope that when you read this, the trails are open and we are all enjoying the sport that we love so much. Hope you're enjoying the holidays with your loved ones & that we are going to have a record snow fall this season so that we can ride into April once again.

Membership in the club isn't limited to snowmobiling. I encourage each one of you to come to one of our monthly meetings and see how we support numerous charitable organizations such as the NHSA's camp snomo' & local food pantries with monetary and canned good donations. You can also hear about how the trails we maintain are utilized by youth groups, running/hiking clubs & horseback riders to name a few.

A sign that reads "Many Hands Make Light work" Hangs in the clubhouse. Every member's participation is appreciated & welcomed. So if you know a member that hasn't renewed, or a friend that should join, now is the time for you to encourage them to do so.

Members that haven't renewed yet are no longer receiving the club newsletter or the NHSA Snow Traveler Magazine. They also cannot register their sled without a valid NHSA membership card. Send them online to complete their membership now.

If you need proof of membership to register and go riding make a note when purchasing and a copy of your cards will be emailed to you as well as your cards being mailed to you via the USPS.

You can renew locally at Canoe King, Barton's & Profile. Remember to specifically ask for a Scrub Oak Scramblers Membership form and be sure to check off family membership even if all sleds are registered in one name.

The membership mixer is coming up in January. This will be a great event to see old friends and meet some new ones. If you have a friend that isn't a member, but should be, bring them along!
